

American Red Cross Home Fire Preparedness Campaign

SMOKE ALARMS ~ SAVE LIVES

Protect your family from home fires!

To help reduce the number of home fire-related injuries and fatalities, the American Red Cross has launched the Red Cross Home Fire Preparedness Campaign and is partnering with Frederick County Fire and Rescue Services to help Frederick County citizens be better prepared for and take important steps to prevent home fires.

FREE Smoke Alarm Installations
Saturday, September 12, 2015
9:30am — 11:30am

On Saturday, September 12, Brunswick Volunteer Fire Company and Brunswick Ambulance Company along with Red Cross volunteers, will be going door-to-door, in the Brunswick area, on East Potomac Street from the city park to North Delaware Avenue, to install smoke alarms for interested residents.

We want to help you and your family stay safe!

Remember to test your smoke alarms monthly and practice your fire escape plan.
